

WORD HORDE PRESENTS THE MOLLY TANZER COLLECTION

A PRETTY MOUTH

STORIES BY MOLLY TANZER

Back in print after some time, this new Author's Preferred Edition features refreshed content, plus new introductory material, notes, and cover.

A faithful valet is forced into the service of a decadent lord. A young writer of erotica returns to the family estate after many years in exile. A pair of decadent twins conspires to explore the most eldritch and macabre debaucheries. A troupe of soldiers face off against unimagined barbarity. A young man determines to be part of the in crowd... at any cost.

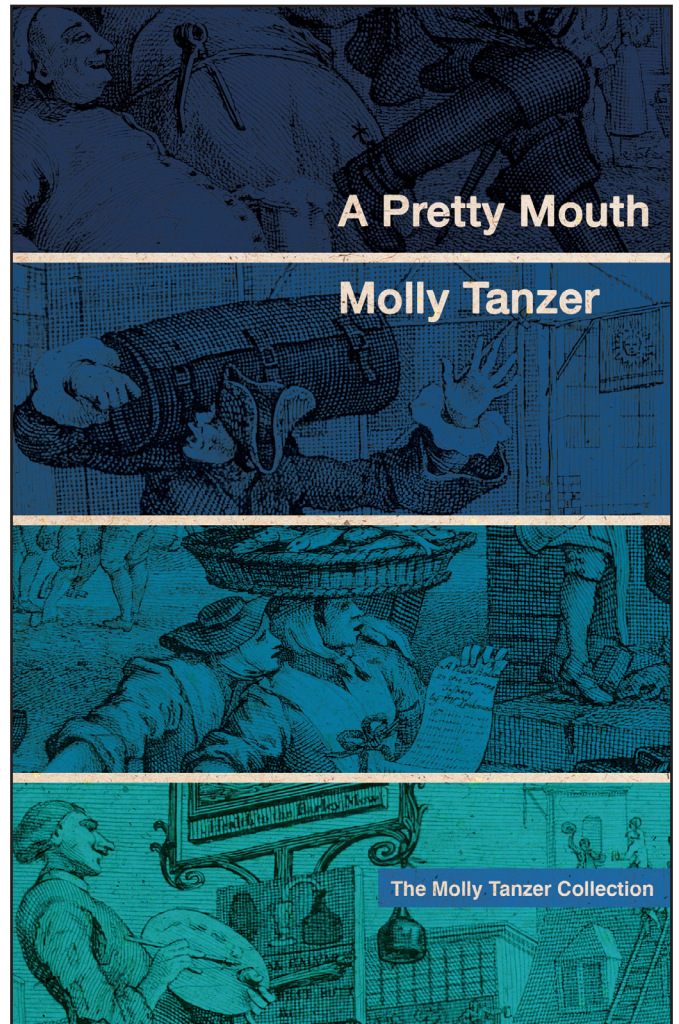

From Molly Tanzer comes *A Pretty Mouth*, an interlaced collection detailing the triumphs and misadventures of the decadent Calipash dynasty, a family blessed—and cursed—by cosmic weirdness.

“This is a sly and sparkling jewel of a book, and I can't recommend it enough—get *A Pretty Mouth* in your hands or tentacles, post-haste, and prepare to be shocked, charmed, and (somewhat moistly) entertained!”

—Livia Llewellyn, author of *Furnace*
